## The River Forest Delegation Takes Over The State House

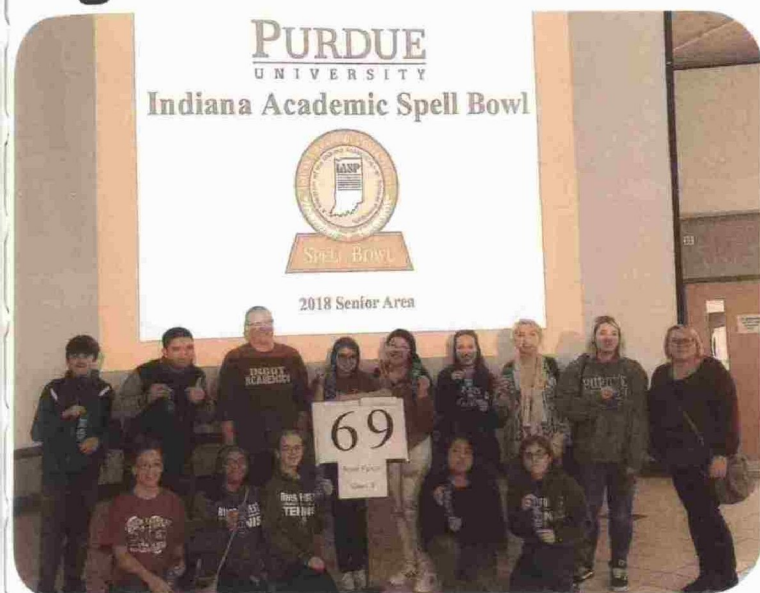

Friday morning, February 22, the River Forest delegation traveled down to the Indiana State House to participate in the annual YMCA Indiana Youth & Government Model Government Conference held in Indianapolis. The nine River Forest students who participated presented their own unique bills and debated bills from other delegates. After presenting their bills, Anthony Hand, Destiney Pratchett, Monse Alaniz, Hailey Bianco, Lexie Espinoza, Marlin Walker, and Judah Lewis all got their bills signed into INYaG law. The entire delegation put in a lot of work and research and their success at the conference was well deserved. While none of the bills were actually signed into Indiana law, several bills were observed by actual representatives and senators. In the end, the future of our country is in good hands because of this program.

## Spell Bowl

On October 29, 2018, the academic team traveled to Lowell High School to compete in the Indiana Academic Spell Bowl Area competition where they received a score of 69, which crowned them as area champions for the first time in school history. At noon the next day, the IASP released the statewide results and revealed which schools will advance to the state competition at Purdue University on November 10, 2018. The combined team score not only won their division but also qualified the team for state with the highest score in their class out of all 50 schools competing in their class.

# **GOLDEN INGOT PRIDE MARCHING BAND**

# MARCHING THROUGH THE SUMMER HEAT

This Fourth of July was an extremely hot and humid one but that will never stop the River Forest marching band from appearing in the local parades. Despite weather in the 90's, high humidity, and the sun glaring down on everyone, the marching band was able to push through and deliver a great U2 rock show for the community.

This year's band was led by some talented seniors, including senior drum major, Brianna Smith. The auxiliary team is also led by a big group of seniors, including two three year captains, Lexington Harris and Hailey Bianco. With the help of some amazing teachers, Bridget Flory, James Wasmundt, Julie Jachimczack, and Danielle Miller, the dedicated team worked together to make this a great year.

# Sounds Sweet

The River Forest choirs keep hitting high notes under the tutelage of Lauren Erickson. The high-energy instructor has helped push her choir members to even greater heights. River Forest students are accustomed to the sweet sounds of the choir at pep rallies, games, and concerts. But, these songbirds have been busy proving their golden worth.

The Men's Choir participated in the Purdue Music Organization Men's Choral Festival. While there they sang with 300 other high school singers and the Purdue Men's Glee Club. At the Indiana State School Musical Association state competition, all River Forest students grabbed a gold rating. Three soloists and the Men's Choir secured a gold with distinction. Finally, the choir competed in Music in the Parks at Six Flags Great America. These talented vocalists earned a superior rating and won first place in the mixed high school choir division. Near or far these Ingots are golden.

Coach Michelle Warshall had high hopes for the River Forest High School Women's soccer team this year. I asked Coach Warshall If she could sum up last season in one word what would it be ? " Last years season I could some up into one word,'Unforgettable.'"It was a group of hard-working, dedicated, passionate, and talented girls who came together and formed an unforgettable team: a bond that could not be broken. No matter the score, no matter the opponent, no matter the obstacles, that group of girls always gave their all every step of the way and refused to give me any less. They drove each other to become better on the field. They became a family throughout the season. As their coach, I couldn't be more proud of those girls and how far they came in such a short amount of time. There was a reason they were called "The Legends," because that group of girls really left a legacy behind; Something that will be impossible to do fill those cleats. They will always be legendary being the very first River Forest Women's soccer team, and they set the bar extremely high for the future teams."

# SQUAD GOALS

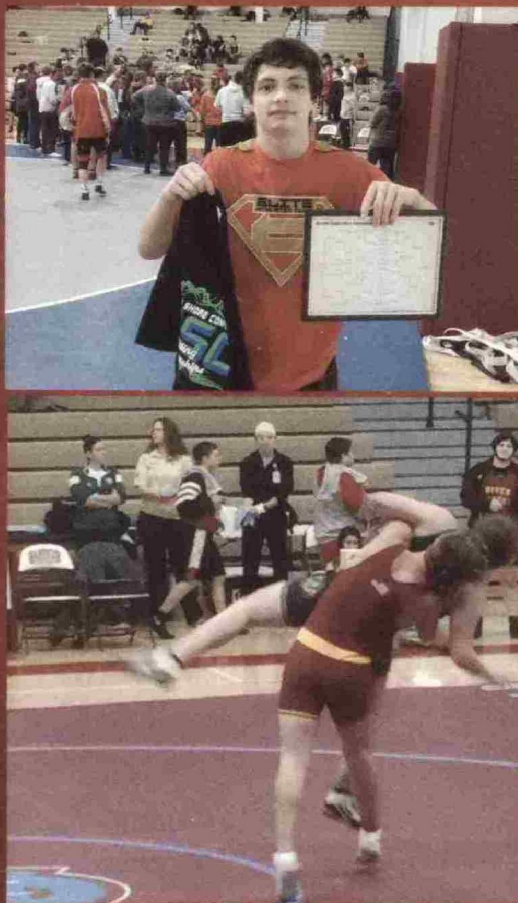

The River Forest Ingots had a historic year for their wrestling program. First-year coach Mark Hildago and assistant Brian Williams turned the Ingots into a contender with bigger programs. With four conference champions Jeffrey Bailey (106), Chippy Silver (126), Dylan Nugent (132), Javier Bugla (138), the team showed their true mettle. River Forest wrestlers continue to grapple their way to the top.

This season introduced freshman phenomenon Jeffrey Bailey. Weighing in at 106 pounds, Bailey was ounce for ounce one of the team's most valuable players. With a record of 32-4 for his season, he was able to qualify for semi-state. Bailey has been wrestling since seventh grade and shows no signs of slowing down. River Forest looks forward to this freshman's bright future.

Senior Javier Bugla stands at the top of the podium after securing a conference title at 138 pounds.

# Boys' Tennis

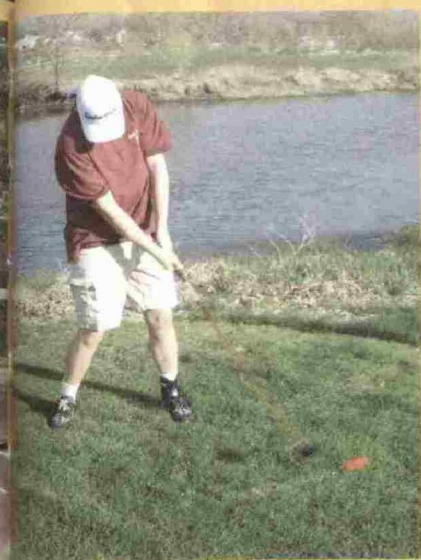

Another season showing the greatness of these young men as individuals, as ingots and as a team. They treat tennis not only as a sport, but also a passion. None of them are just any ordinary tennis player, they should serve as a sort of role model for the rest of the school and others as well. After every match they come back together and show the amazing friendship each boy has to the other.

Whether inside of school or on the tennis court, they stay close and hold a bond as if they're brothers. Even when they go against every other team, they still keep up great sportsmanship and blow us away with their skills while they swing their racquets into action. They've fought their way through many tough battles on the court and many times have come out on top; however, no matter what the score is at the end of the match, our boys' are still the winners in our hearts as ingots.

# GOLF

Although the golf team wasn't very big, our two players have still put on a great performance. Austin Bastin attended every game possible just to show us how great he is on every golf course. We can't thank him enough for keeping the boys' golf team alive and well. Rachel Pratchett is the first and only team member of River Forest's first girl's golf team. The dedicated golfers and their coach Matt Wendell are keeping River Forest's green dreams alive.

# CROSS COUNTRY

Coach Lauren Erickson had a successful year as the River Forest Cross Country coach. The team ran hard and competed against powerhouse schools. Senior Destiny Prachett ran to qualify for the regional meet. She also balanced volleyball and her school work showing what a true student athlete is. She's not alone. The whole team exemplified endurance throughout their season.

## A Season to Remember

This season for the Lady Ingots was a great one. These hard working girls came together to make a strong team. They didn't win every game, but they achieved a lot personally. They all improved in their own ways. A few of the Lady Ingots were recruited by a coach at IUN to play tennis while attending college. Congrats to those girls! The rest of the team wishes you all well!

## Haley Kay Ralph "We Play in Honor of Her #3" HONORING A FALLEN INGOT

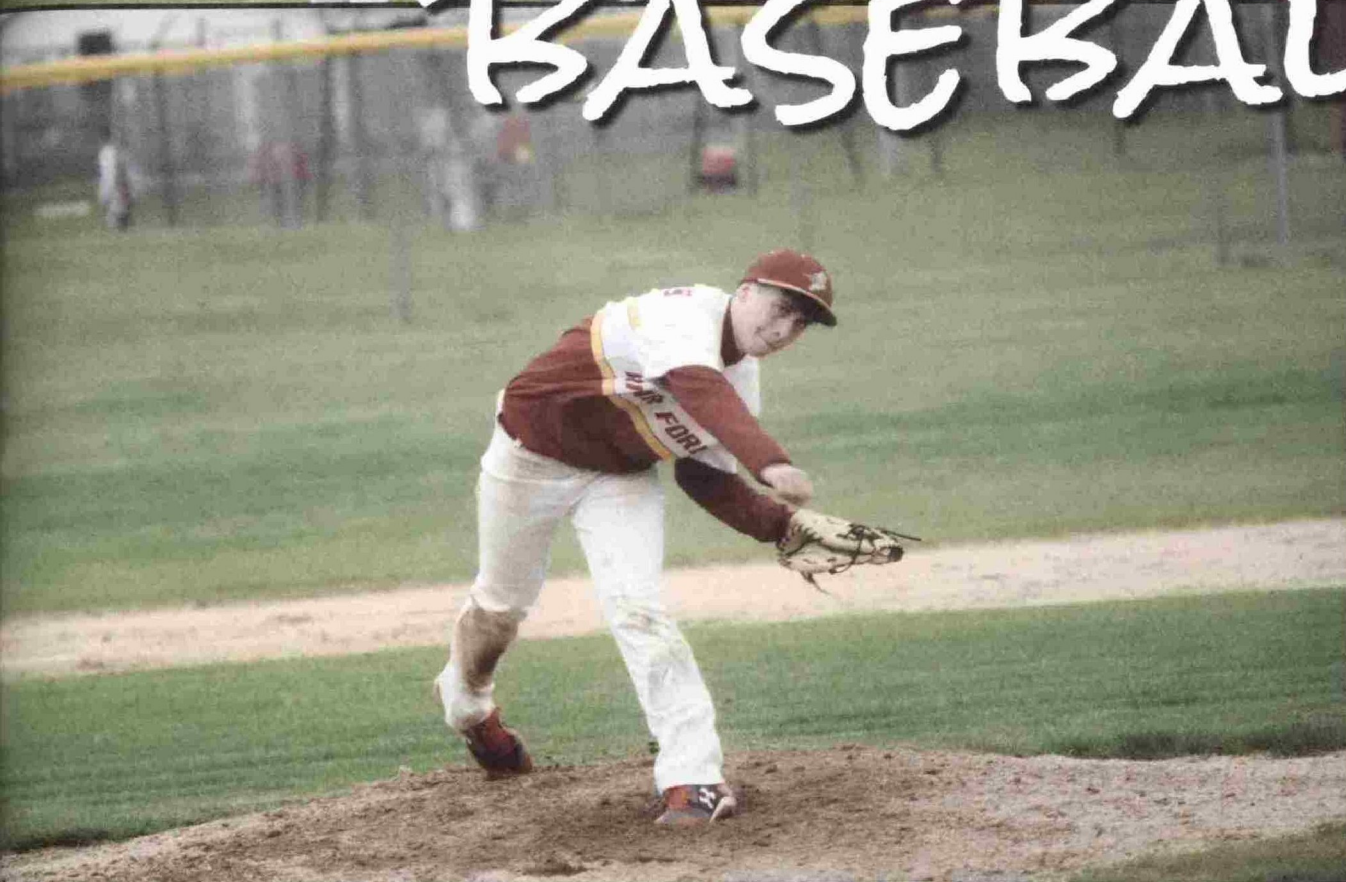

On November 14, 2015 heaven gained an angel. The class of 2019 made it their duty to honor their fallen classmate throughout their high school softball career. During every single game, Haley's #3 jersey hung on the dugout fence. On senior night, the seniors presented the Ralph family with the jersey they have carried with them during the past 4 years.

# BASEBALL

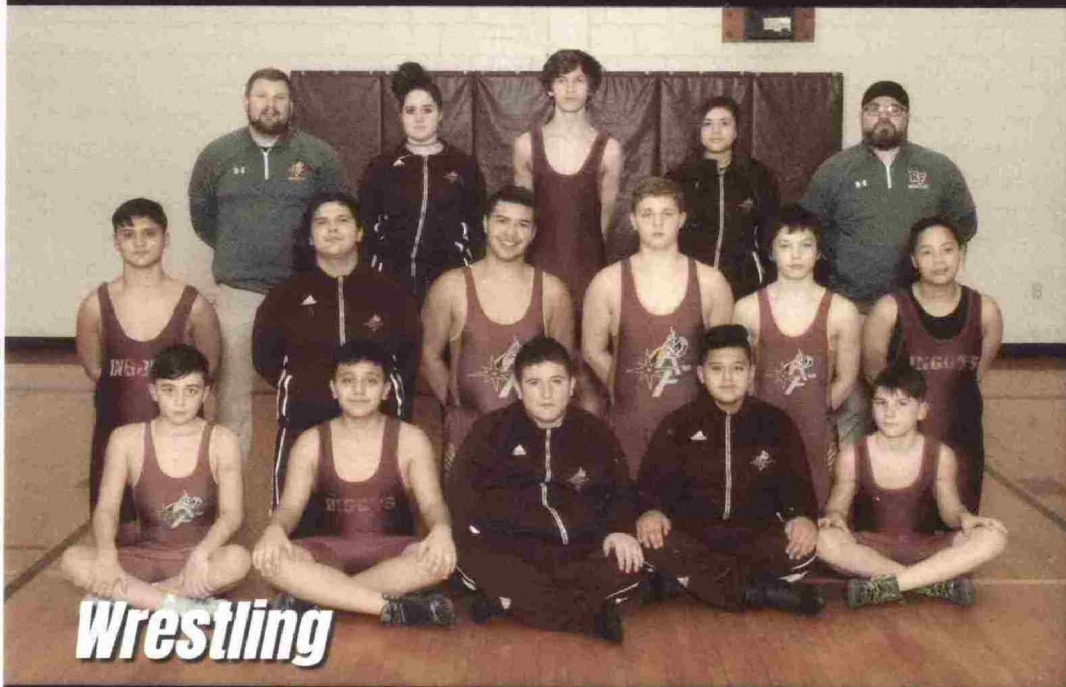

While the Varsity Baseball season started on shaking footing, the team eventually found their stride in the second half of their season. The players were not defeated by early losses but were able to keep pushing. Finishing out the season 12-12, they can be proud that they stuck it out for the long game.

Senior Milan Wendrickx leaves behind a strong record. He holds the high school record for stolen bases in a game at 6, a career batting average of .405, for a single-season batting average of .558, hits in a career, hits in a season at 43. and the number of stolen bases in a career at 104. All of the players leave a legacy of persistence and determination.
